Having followed with great interest the deliberations on the item reflecting the views of Member States;

Being concerned with the serious obstacles created by the occupying power, which hinder the achievement of a just and lasting peace in the region;

Recognizing that the massive Israeli military operation in the Occupied Palestinian Territories, particularly in the occupied Gaza strip, has caused grave violations of the human rights of the Palestinian civilians therein and international humanitarian law, and exacerbated the severe humanitarian crisis in the Occupied Palestinian Territories;

Also recognizing that the Israeli siege imposed on the occupied Gaza strip, including the closure of border crossings and the cutting of the supply of fuel, food and medicine, constitutes collective punishment of Palestinian civilians and leads to disastrous humanitarian and environmental consequences;

Welcoming the international and regional initiatives for peace in the Middle East;

Condemning Israel's acts of violence and use of force against Palestinians, resulting in injury, loss of life and destruction, coercive migration and deportation in violation of human rights and the Fourth Geneva Convention of 1949;

Stressing the need to compliance with existing Israeli – Palestinian agreements concluded in order to reach a final settlement;

Being concerned about the continuing dangerous deterioration of the situation in the Occupied Palestinian Territories, including East Jerusalem and Gaza strip, the continuous deportation of Palestinians from their homeland, and the continuing serious and systematic violation of human rights of the Palestinian people by Israel, the occupying power, including that arising from the excessive use of force, the use of collective punishment, the occupation and closure of areas, the confiscation of land, the establishment and expansion of settlements, the construction of a wall in the occupied Palestinian Territories, the destruction of property and infrastructure, use of prohibited weapons and all other actions designed to change the legal status, geographic composition of the Occupied Palestinian Territories, including East Jerusalem and Gaza strip, and about war crimes and crimes against humanity committed in these territories, and calling for the implementation of the relevant United Nations resolutions on the humanitarian situation of the Palestinian people;

Recalling the Advisory Opinion rendered by the International Court of Justice in the case concerning the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*, and related General Assembly Resolution (A/RES/ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006), as well as the United Nations initiative of establishment of a Register of Damage arising from the construction of the separation wall;

Being deeply concerned about the tenacity of Israel in proceeding with the construction of wall in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime, which is contrary to international law;

Acknowledging with deep concern that the Security Council is still unable to adopt a resolution stipulating the illegality of the Israeli expansionist wall;

Expressing its support to the Arab Peace Initiative for resolving the issue of Palestine and the Middle East, adopted by the 14th Arab Summit held in Beirut (Lebanon) on 28 March 2002 and reaffirmed in the 19th Summit Conference of the League of Arab States, Riyadh, 28-29 March 2007 as well as other peace initiatives, including the Quartet Road Map;

Taking note of conclusions and outcomes of all events held at both regional and international levels aiming at the achievement of a just, durable and comprehensive solution of the question of Palestine;

Affirming that a comprehensive, just and durable solution can only be achieved by ending the occupation in pursuance of the Charter of the United Nations, existing agreement between the parties and the relevant Security Council and General Assembly resolutions, which will allow all the countries of the region to live in peace, security and harmony;

1. **Urges** its Member States to take part in the peace process/efforts exerted by the international community for the achievement of a just and comprehensive solution of the question of Palestine on the basis of relevant Security Council resolutions, including 242 (1967), 338 (1973), 425 (1978), 1397 (2002) and 1860 (2009); and relevant General Assembly Resolutions, including 194 (1949) on the formula of “land for peace” and the legitimate rights of the Palestinian people, and expressing solidarity with the Palestinian people and their elected leadership.
